THE MOST HOLY BODY & BLOOD OF CHRIST

“And when the leftover fragments were picked up, they filled twelve wicker baskets.” Today’s Gospel shows us that Jesus wants to do more than satisfy our needs. He wants to give us an experience of fullness and abundance. He not only miraculously fed the crowd of thousands; he also provided enough to make a mountain of leftovers. More than they needed, more than they ever expected. That’s what Jesus gave.

And it’s what he continues to give us every time we receive the Eucharist. This too is a miraculous meal. Like the multiplication of *“five loaves and two fish,”* Jesus turns something small—bread and wine—into something abundant and overflowing: his body, blood, soul, and divinity.

Through this sacrament we experience the gift of union with Jesus and the resulting graces that come from encountering him. Just like the crowds gathered that day in a deserted place, we come to Jesus with our emptiness—our needs, our weaknesses, our fears—and he fills us up until we too are *“satisfied.”*

The prayer after Communion on today’s feast of the Most Holy Body and Blood of Christ reminds us that what we experience at Mass is a foretaste of that ultimate satisfaction that we will experience in heaven: *“Grant, O Lord, we pray, that we may delight for all eternity in that share in your divine life, which is foreshadowed in the present age by our reception of your precious Body and Blood.”* Receiving the Lord in the Eucharist is a momentous miracle and an earthly glimpse into heaven. May today’s celebration help remind us to be ever grateful for this most glorious gift.

St Frederic Parish, Father Marandu, Pastoral Council and the Strategic Planning Committee are looking for feedback on the Draft Pastoral Plan for St Frederic Church. The plan is intended to be a living, working document created with your original concerns in mind. The next step is for YOU to help us review and revise the plan before it is presented to the Archdiocese.

There will be fellow parishioners available after each Mass to listen to your comments and concerns, record them, and take them to heart. The full draft plan will be available to review and assist in guiding your feedback. Please feel free to either comment verbally or in written form. **Look for people from the committee after each Mass** or email your comments to Scott Bremmer at j.scottbremmer@gmail.com

Parish Property

Our Parish compound is the home of our Lord, Jesus Christ; our Pastor; and the spiritual home of the Parishioners of St. Frederic Catholic Church. We will care for all of our facilities, land, and landscaping in a way that is consistent with our spiritual purpose.

The cost of maintaining our buildings is very high, primarily because we are maintaining extensive facilities remaining from the school, and because most buildings are very old.

- Do you have any ideas about priorities for maintenance of Parish properties? What about building improvements – do you have concerns? What about alternatives to maintenance?
- Do you believe it is possible for landscaping and cleaning to be part of our stewardship ministry? How could we do this?
- What do you see as parish facility shortcomings?
- If Buccini Hall were to be modified, what would be your recommendations?
- There have been discussions on remodeling the Church entry. How do you feel about this?

Community

A parish should be a place that welcomes visitors as well as longstanding parishioners. People should be respected, accepted, and cared for by the reflection of Christ's own hospitality and love for all.

- Do you feel isolated, distanced, or cut off from other parishioners?
- How can St. Frederic create a friendlier atmosphere within and outside of the Mass?
- Are there social opportunities that you would be interested in, but that are not available at St Frederic?
- Do you feel that St. Frederic does not communicate social information very well? How could we do better?
- Do you have ideas for social interaction/community outreach that are missing at St. Frederic?
- Although we have a strong core group of attendees at St. Frederic, we also see many people only a few times (e.g., around Christmas or Easter), and then they drift away. Why do you think this is, and what ideas do you have to rectify this?

Hispanic Ministry

The Hispanic Ministry seeks to offer a culturally relevant ministry, both liturgically and socially, to server the spiritual needs of and bring forth the gifts of all Spanish speaking parishioners.

- How can St Frederic Parish best ensure the Hispanic community's needs are met, both within the Parish and within nearby communities?
- If you are Hispanic, what can St Frederic Parish do to foster active participation by your children and youth?
- Would you participate in cultural and language learning opportunities for both English and Spanish people?
- How can we foster integration and a "one, catholic church" goal within our bi-lingual community?

Faith Formation

Faith Formation is a basic foundation that enables a parish to know, love, and serve the Lord and His people.

- What do you see as the best ways to captivate and educate parishioners of any age? Movies? CD's? Books? Podcast Links? Other?
- How can the Parish best emphasize adult faith education? Have you ever considered an Apologetics class? Do you know what this is?
- How can the Parish encourage you to participate in guiding the next generation by being a teacher/instructor?
- Do you believe that learning about the cultural aspects of our faith is crucial to building an understanding Parish?
- What do you think would be the best way to use faith formation to unify family life?
- What suggestions do you have for improving active participation in children's and youth Religious Education?
